## REGISTRATION DEADLINE: Wednesday, June 19, 2024

By providing a challenging experience, the Team Camp offers an excellent opportunity for teams to improve and grow in many areas. Each team will be guaranteed 5 games against the appropriate competition in a junior varsity division or a varsity division during the Princeton University Boys Basketball Team Camp.

### Team Camp Coaches Background Checks

For the safety of all campers and coaches attending the team camp, coaches participating in a team camp must submit and pass a background check prior to the team being able to register. Coaches that do not submit and pass a background check, will not be permitted to participate during any camp activities. **NO EXCEPTIONS!**

### Registration Process for Overnight and Day Teams

To begin the process of team registration, please send an e-mail to [camps@princeton.edu](mailto:camps@princeton.edu) with your team name, estimated number of players, overnight or day preference along with the names and e-mail addresses of the coaches that wish to attend with your team.

Overnight and day teams will not be able to register until at least one coach has submitted and passed the background check. After one coach has submitted and passed their background check, we will email registration instructions. All registrations must be done individually by each participant & all additional coaches online using the link that will be provided. Payment can be made via Visa, MasterCard, American Express or Discover.

**A space for each team will not be confirmed until at least 8 players register and pay in full.**

### Registration Fees for Participants & Coaches

For overnight teams, the registration fee of \$200.00 per player includes games, meals, housing and a camp t-shirt. Please keep in mind that each overnight team will be allowed to have 1 coach (free of charge) in attendance, however, there will be an additional fee of \$100.00 for additional coaches that attend camp with a team (at least 8 players plus 1 coach).

For day teams, the registration fee of \$90.00 per player includes games and a camp t-shirt.
