Boys Basketball Elite Camps

The Princeton Basketball Elite Camps are a great opportunity to work closely with Head Coach, Mitch Henderson, and his staff on the skills and fundamentals that are the building blocks to the Princeton Men's Basketball program's success. The camp will closely resemble the experience that high-level college players go through daily in practice. The individual instruction, station work, and full-court game-play at the Elite Camps will demonstrate the hard work and dedication required to succeed at the next level.
