Princeton University will not be held responsible for housing/storing medication(s). Parent(s)/Legal Guardian(s) and camp participants will be held responsible for administering and housing/storing medication(s) in a discrete place during camp.

We strongly recommend Parent(s)/Legal Guardian(s) of camp participants that have been prescribed medication(s) that are self-administered to treat potentially life-threatening conditions (i.e. inhalers, EpiPen) meet with the Health Director during check-in to discuss their use.

IMMUNIZATION HISTORY:

All Princeton University Sports Camp participants are required to provide copies of immunization records from a physician's office or a valid medical and/or religious exemption from immunization. All campers must provide records that satisfy the immunization schedule set forth at Immunization of Pupils in School, N.J.A.C. 8:57-4 or provide an official letter from a physician indicating that immunization is in progress. Your camper WILL NOT be allowed to participate without the appropriate medical records.

New Jersey Youth Camp Standards require campers to be immunized with the vaccinations required for child-care center, preschool or school attendance as appropriate for the camper's age, according to the immunization schedule found in N.J.A.C. 8:57-4. An immunization schedule can be found at https://nj.gov/health/cd/documents/imm_requirements/k12_parents.pdf. Campers who do not comply with this schedule will not be allowed to participate in camp.

I am the legal parent/guardian of the above named participant. I hereby certify that to the best of my knowledge, the information requested is complete and correct.
